These health care professionals work together to provide you with high quality medical services. Please keep your Provider Directory for future reference. Your Primary Care Physician (PCP)

The physician you choose as your personal doctor is called your Primary Care Physician. He or she will be responsible for all of your health care needs, including if you need to be admitted to the hospital or referred to a specialist. Because your PCP knows your medical history, he or she can direct you to the most appropriate course of treatment.

Using This Directory

Step 1 — If you have a personal doctor and would like to select him or her as your Primary Care Physician (PCP), look in the Primary Care Physicians by Last Name Section of this directory to see if he or she is available. This section has a listing of all PCPs sorted by the doctor's last name.

Step 2 — If you do not yet have a personal doctor or if you are searching for a doctor near your home or office, look in The Primary Care Physicians by City Section of this directory. This section has a listing of all PCPs sorted by the city where the doctor's office is located.

Step 3 — Members have direct and unlimited access to OB/GYN physicians as well as all PCPs (family practice, internal medicine, etc.) in their Primary Care Physician's Plan Medical Group (PMG) for obstetrical and gynecological services. If you would like to find out which doctors are available to you for these services, look in the Medical Group Section of this directory. This section has a listing of all PCPs and OB/GYNs within each medical group.

If you do not select a PCP when you complete your enrollment form, Sharp Health Plan will assign one for you that is convenient to where you live.

Answers To Some Commonly Asked Questions

What do I do in an emergency?

If you need emergency medical care, call "911" or go to the nearest hospital emergency room.

What if I'm not sure whether it's an emergency?

Call your PCP (even after normal business hours). He or she can help decide the best way to get treatment and can arrange for prompt urgent care or emergency room care. However, do not delay getting care if your PCP is not immediately available.

If you access Emergency Services or Urgent Care Services and it is later determined by the PMG or the Plan that the care you obtained was not Medically Necessary, it will not be paid for by the Plan, and you will be responsible to pay for the care.

What if I need to see a specialist?

If a specialist is needed to treat your condition, your PCP will refer you to the appropriate physician. If you go to a specialist that has not been authorized by your PCP, those services will not be covered under Sharp Health Plan.

Patients who choose Sharp Rees-Stealy Medical Group have direct access (no referrals required) to specialists in allergy; OB/GYN; ophthalmology; otolaryngology (ear, nose and throat); podiatry; and any Sharp Rees-Stealy Urgent Care Center.

What if I need to go to the hospital?

If you need hospitalization, your Sharp Health Plan physician will send you to the hospital where he or she has admitting privileges. You must go to that hospital in order to receive plan benefits.

If you would like a list of our contracted sub-acute or transitional inpatient care facilities (Skilled Nursing Facility and Long Term Care), please call Customer Care at 1-800-359-2002, or e-mail us at customer.service@sharp.com

How often can I see my Primary Care Physician (PCP)? Are appointments necessary?

You can see your PCP as often as necessary. You should always call for an appointment. Appointments are made to eliminate unnecessary waiting. If you are unable to keep a scheduled appointment, please call at least 24 hours in advance to cancel.

Important Notice

Estos profesionales de la salud trabajan en equipo para brindarle servicios médicos de calidad. Por favor guarde el Directorio de Proveedores para referencia futura. Si tiene alguna pregunta, llame sin cargo a Cuidado del Cliente al 1-800-359-2002, o e-mail al customer.service@sharp.com

Su médico de atención primaria (PCP)

El médico que usted elige como médico de cabecera se llama médico de atención primaria. Éste será responsable de ocuparse de todas sus necesidades de atención de la salud, inclusive si necesita ser hospitalizado o ver a un especialista. Debido a que su PCP conoce su historia clínica, puede determinar cuál es el curso de tratamiento más apropiado.

Al usar este Directorio

Paso 1 — Si ya tiene un médico de cabecera y desea seleccionarlo como su médico de atención primaria (PCP), busque en la sección Médicos de atención primaria por apellido para ver si pertenece al plan. Esta sección lista a todos los PCP por el apellido.

Paso 2 — Si aún no tiene un médico de cabecera o si está buscando uno cerca de su casa o trabajo, busque en la sección Médicos de atención primaria por ciudad en este directorio. Esta sección lista a todos los PCP agrupados por la ciudad donde el médico tiene su consultorio.

Paso 3 — Los miembros tienen acceso directo e ilimitado a médicos obstetras/ginecólogos así como a todos los PCP (medicina familiar, interna, etc.) pertenecientes al grupo médico del plan (PMG) de su médico de atención primaria para servicios de obstetricia y ginecología. Si desea ver cuáles médicos pueden brindarle estos servicios, busque en la sección de Grupos Médicos de este directorio. Esta sección incluye un listado de todos los médicos de atención primaria y obstetras/ginecólogos pertenecientes a cada grupo médico.

Si no selecciona un PCP al llenar el formulario de inscripción, Sharp Health Plan le asignará uno que esté ubicado convenientemente cerca de su domicilio.

Respuestas a algunas preguntas comunes

¿Qué hago en caso de emergencia?

Si necesita atención médica de emergencia, llame al "911" o acuda a la sala de emergencia del hospital más cercano.

¿Qué hago si no estoy seguro de si es una emergencia?

Llame a su médico de atención primaria (inclusive después del horario de atención normal). Él o ella podrá ayudarle a decidir qué se debe hacer y puede hacer arreglos para que reciba atención de urgencia enseguida o decirle si debe acudir a la

sala de emergencias. Sin embargo, no retrase que le brinden atención médica si no puede comunicarse con su PCP. Si es atendido en la sala de emergencias o en un centro de atención de urgencias, y luego el grupo médico o el plan determinan que no era médicamente necesario, el plan no lo pagará y usted será responsable de pagar dicho servicio.

¿Qué sucede si necesito ver a un especialista?

Si se necesita un especialista para tratar su afección, su PCP le remitirá al médico que corresponda. Si usted visita a un especialista y esto no ha sido autorizado por su médico de atención primaria, estos servicios no estarán cubiertos bajo el Sharp Health Plan.

Los pacientes que eligen e grupo médico Sharp Rees-Stealy tienen acceso directo (no necesitan remisión) a especialistas en alergía, obstetricia/ginecología, oftalmología, otorrinolaringología (oídos, nariz y garganta), podiatría y cualquier centro de urgencias perteneciente a Sharp Rees-Stealy.

¿Y si necesito ir al hospital?

Si necesita ser internado, su médico del Sharp Health Plan le enviará al hospital donde él o ella está autorizado para internar pacientes. Usted debe ir a dicho hospital a fin de recibir los beneficios del plan.

Si desea una lista de nuestras instituciones contratadas para atención de pacientes internados subagudos o en transición (instituciones de enfermería especializada y atención a largo plazo), llame a nuestro departamento de Cuidado del Cliente al 1-800-359-2002, o e-mail al customer.service@sharp.com

¿Con qué frecuencia puedo ver a mi médico de atención primaria (PCP)? ¿Es necesario pedir cita?

Puede ver a su PCP todas las veces que necesite. Siempre debe llamar antes para pedir una cita. Las citas se hacen para no tener que esperar innecesariamente. Si no puede acudir a una cita, por favor llame al menos 24 horas antes para avisar.

Aviso importante Este folleto no es un contrato, sino una descripción general de aspectos importantes del Sharp Health Plan. El Manual del Miembro, que se le entregará al inscribirse en el Sharp Health Plan, contiene una descripción completa de los servicios y beneficios.

Los médicos incluidos en este directorio de proveedores son los médicos participantes en el Sharp Health Plan al momento de crearse el directorio. Sharp Health Plan no puede garantizar que determinado proveedor pertenecerá al plan durante todo el tiempo que dure su afiliación. Las direcciones y teléfonos de los proveedores también pueden cambiar. El plan se reserva el derecho de modificar este directorio según sea necesario.

Urgent Care Centers

When you need urgent care services, call your Primary Care Physician (even after normal business hours). Your physician may advise you to receive services through a hospital emergency room or urgent care center or advise you to be seen at the office the next day. Urgent care services require a referral from your PCP.

Centros de atención de urgencia

Cuando necesite servicios de atención de urgencia, llame a su médico de atención primaria (inclusive después del horario de atención normal). Su médico puede recomendarle que acuda a la sala de emergencias del hospital o a un centro de atención de urgencias, o que vaya a su consultorio al día siguiente. Los servicios de atención de urgencia requieren autorización previa de su PCP.

How to use this Specialist Index

As appropriate, your Primary Care Physician (PCP) will refer you to a specialist (usually within your Plan Medical Group).

This section of the provider directory is arranged by specialist category (alphabetized), then by last name of the physician (alphabetized), and then the medical group(s) that the specialist is associated with.

If you are newly enrolling with Sharp Health Plan, and currently receive care from a PCP or a specialist, please make sure that both your PCP and specialist are participating in the Sharp Health Plan Premier network, and that your specialist is associated with the same Plan Medical Group as your PCP.

If you do not locate your Primary Care Physician (PCP) or Plan Medical Group, or you have questions regarding your ability to continue to use your current PCP or specialist, please contact the Sharp Health Plan Customer Care team to discuss the options available through Sharp Health Plan at (619) 228-2300 or 1-800-359-2002.
