Section 1 – Introduction

This directory provides a list of Sharp Advantage’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Choosing a Primary Care Physician (PCP)

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

You will choose your PCP from one of our six medical groups: Greater Tri-Cities IPA, Sharp Community Medical Group, Sharp Community Medical Group – Arch, Sharp Community Medical Group – Graybill, Sharp Community Medical Group – Inland, or Sharp Rees-Stealy Medical Group. The PCP and medical group you select will determine which specialists you can see and which urgent care centers in San Diego County you can visit. If needed, your PCP or Specialist will refer you to the hospital or skilled nursing facility based on his or her hospital affiliation. You can change your PCP and medical group at any time after enrollment. Regardless of which medical group you choose, you have access to any pharmacy in this directory.

Referrals from your PCP

The “network providers” listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Your PCP is responsible for your routine health care needs and for coordinating all covered services provided to you. In order for you to see a specialist, you must obtain your PCP’s approval first (this is called getting a “referral” to a specialist). Your PCP will choose the network specialist to whom you will be referred based upon his or her referring practices and hospital affiliation. The presence of a particular network specialist in the Provider Directory does not mean that your PCP will refer you to that provider.

If you get a bill

If you get a bill for a covered service from a contracted or non-contracted provider, do not pay the bill. Instead, submit the bill to us for processing. We will pay for our share of the bill and will inform you if you must pay any part of the cost. However, if you have already paid for the covered services, we will reimburse you for our share of the cost. For more details,

please refer to your Evidence of Coverage, Chapter 2 – Important phone numbers and resources, as well as Chapter 7 – Asking us to pay our share of a bill you have received for covered medical services or drugs.

If you need emergency or urgent care

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP. Emergency care can be obtained in or out of the service area from the nearest available provider. You or someone else should call to tell us about your Emergency Care, usually within 48 hours.

“**Urgently needed services**” is care provided to treat a non-emergency, unforeseen medical illness, injury, or condition that requires immediate medical care. In most situations, if you are in the Plan’s service area, you must use network providers for urgently needed services. When you are outside the service area, our Plan will cover urgently needed services that you get from any provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider. Our Plan does not cover urgently needed services or any other non-emergency care if you receive the care outside of the United States.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Sharp Advantage will be responsible for the costs.

What is the service area for Sharp Advantage?

The county in our service area is **San Diego County**. We also list pharmacies that are in our network but are outside San Diego County.

How do you find Sharp Advantage providers in your area?

Pharmacy Directory

This booklet provides a list of Sharp Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Sharp Advantage's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Sharp Health Plan. When it refers to "plan" or "our plan," it means Sharp Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Sharp Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 06/01/17. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside San Diego County, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on 'Network Pharmacies outside San Diego County' or please contact us.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Sharp Advantage.

This page intentionally left blank.

Network Pharmacies inside and outside of San Diego County

We have national network pharmacies inside and outside of the service area where you can get your drugs covered as a member of our plan.
